# POLICIES AND OPERATING PROCEDURES

## Item Distribution

Organizations can distribute "Throws". Throws should have some intrinsic value. Organizations may not randomly throw literature, brochures, business cards, flyers, but may hand them to people along the parade route. Sexually explicit materials may not be thrown or handed out. Condoms and like materials may be handed to age appropriate individuals. Groups are asked to inform the 2007 Providence Sound Session Parade if throws are to be distributed. Care needs to be taken to ensure the safety of participants and people along the parade route.

## Non Discrimination

Providence Sound Session '07 Parade welcomes the participation of all people regardless of age, creed, gender, national origin, physical or mental development ability, race, religion or sexual orientation and asks all participating organizations to also engage in non-discriminatory actions.

## Parade Image

Participants are to show respect for all genders, ages, races, cultures, faiths and sexual orientation and to be aware that children will be in attendance at the event. Participants are asked to use good taste in presentation and activities along the parade route.

## Safety

No alcoholic beverages or illegal substances will be allowed before or during the parade. We reserve the right to remove such individuals from the parade.

## Parade Marshals

All organizations need to provide 2 Parade Marshals to direct the organization along the parade route. Guides need to attend the orientation meeting. Small groups can contact us if there is difficulty in fulfilling this requirement.

## Directions During Parade

Parade Coordinator and/or Parade Marshals are authorized to provide placement, movement and dispersion directions. Participants shall follow all directions provided by the Coordinator, Marshals, police and/or fire personnel.
